VENUE INFORMATION

MCKAY VISITORS PAVILION
- This space can be crowded and noisy with visitors.
- The room is large and open, with very high ceilings and natural light.

Quiet spaces in and around the Visitor Pavilion include:
- The Museum Coffee Shop on the second floor
- The Jenkins Children’s Welcome Center, just inside the main entrance
- The Dwarf Garden, located to the south of the Visitor Pavilion

CA’ D’ZAN
- This space can be crowded with visitors and with historical objects within easy reach.
- Tours inside Ca’ d’Zan follow a strict schedule, with little flexibility for breaks.
- Tours include winding and straight staircases.

Quiet spaces around Ca’ d’Zan include:
- The exterior terrace overlooking the water
- The nearby gardens, including the Secret Garden and the Bolger Campiello and Promenade

TIBBALS LEARNING CENTER
- Each gallery in this venue features multimedia elements, including sound, video, movement, and lighting.
- The Howard Bros. Circus Model is housed in a dimly lit gallery with dark walls. Light levels change to recreate the effect of day and night. The floor is inclined at the gallery’s entrance and exit.
- On the first floor, an interactive gallery contains spirited music and thrilling video clips.
- The second floor areas feature colored lights, large video screens, and thumping music.

Quiet spaces in the Tibbals Learning Center include:
- The hallway abutting the exit from the Howard Bros. Circus Model
- The 2nd floor bay window, overlooking the pond

MUSEUM OF ART
- Noise levels in this space are usually quite low.
- Some galleries are very large and open, while others are smaller and quite compactly filled with art.
- A variety of wall colors and lighting levels are used.
- The Courtyard contains water features and natural light.
- Numerous small staircases between wings can make it challenging to traverse the Museum of Art in a wheelchair.

Quiet spaces in the Museum of Art include:
- The Courtyard
- Joseph’s Coat, an installation inside the Searing Wing which consists of a tranquil courtyard open to the sky

ORIGINAL CIRCUS MUSEUM
- This space is large and open, with high ceilings and a variety of wall colors.
- There are no accessible restrooms in the Original Circus Museum. Accessible restrooms are available nearby in the Tibbals Learning Center.

Quiet spaces in and around the Circus Museum include:
- A reading area with tables and chairs
- Mable Ringling’s Rose Garden, which is located across from the building

BAYFRONT GARDENS
- The grounds consist of varying terrain. Paved sidewalks are available throughout most of the campus.
- Visitors are welcome to explore the grounds on foot or by using the complimentary tram service.
- Picnics are welcome on the grounds; however, please do not bring food or drink into any museum building.
- The grounds are not fenced in or enclosed in any way.
- The Playspace may get loud and crowded at times.

For more information regarding accessibility at the museum, contact accessibility@ringling.org or visit our website at ringling.org/accessibility
