PAUL RUDOLPH

Complementing the installation of the full-scale replica of Paul Rudolph’s famed Walker Guest House on the grounds of The Ringling, a small focus exhibition on the guest houses Rudolph designed and built in Sarasota will be on display. These architectural gems in particular are early examples of the innovative design and daring for which Rudolph would be known. A variety of vintage photographic and architectural material will be exhibited. Below is a bibliography of excellent books on Rudolph’s work and the Florida architectural style, found at The Ringling Art Library. The Library is open Monday-Friday, 1pm-5pm and is free to the public.
